Treasurer's Report

Randy reported that there is approximately \$61,000 in the treasury. He will be making an insurance deposit for drivers and a deposit on the Spring Mountain Track for the December driving event.

Membership Report

Our membership numbers this month show 498 primary and affiliate members. There are 8 new members. Nita notes that more members are starting to add their affiliate members to the membership rolls. The new members' social is still on hold.

Teen Survival Driving Event

John reported that Scott Mann confirmed that the Evo Course (?) by the Boulder City Gun Club may be available for the event. He will continue to research this.

Mike Dugan

Mike urged the Board to do as much marketing as possible for the Concours in September. Utilize the postcards he has distributed and refer people to the website: RedRockConcours.com.

An extensive discussion followed regarding the idea that the club's annual summer party become part of the Awards Banquet for the Concours. Salomon made a motion that there be no subsidy from the treasury for club members since there will be other attendees who are not part of LVRPCA also attending. The motion was approved by the Board. It was decided that the \$70.00 banquet ticket for our members would also include entrance to the Octoberfest event on Friday night and entrance to the Concert Under the Stars on Saturday evening.

The Zone 8 Concours will be held within our Red Rock Concours d'Elegance. Mike McCrimmon will be handling the details with the PCA zone 8 people.

It was decided that automobiles arriving to display on the day of the Concours, September 20, who had not previously registered, should be allowed to be enter in the Display Only category. This would also include cars that do not fit the "marque" description, also, rather than turn entrants away.

Additional discussion was held regarding the winners and it was decided that the winning entrants should be told at the end of the event to encourage them to attend the awards banquet, if they were not already planning to do so.

The next Concours meeting will be July 21, at Gaudin.

Regarding July's 3rd Thursday: Black Mountain Grill.

Salomon confirmed the drive to Mt. Charleston on July 26. We will meet at the Sante Fe Station around 9:00 a.m. for a 9:30-10:00 departure.

Mike McCrimmon would like more pictures posted on our Facebook page.

The Baja, California event is now open for cars 1979 and older...any mark.

The Board authorized Mike to give the waitress a \$35.00 "tip" for showing up to serve us at the meeting we re-scheduled and forgot to mention to her!

The meeting was adjourned at 7:10.
