

2018 - Zone 8 Region Of The Year

December 21th Edition

Las Vegas Region PCA Newsletter

Letter from The President

Now that 2019 is coming to an end, we can look back with satisfaction on everything the Las Vegas Region has accomplished this year. We were awarded the Zone 8 Region of the Year Award for 2018. We also received the third place for the PCA National Region of the Year at Parade. It was the first time in our history that the Las Vegas Region ever won either of these prestigious awards.

We celebrated the 45th Anniversary with a party where close to 110 people attended. Tivoli Square opened its pedestrian area in front of the restaurants and shops for Porsche only parking. It turned out to be a 45th Anniversary car show.

Our members enjoyed a variety of drives and tours. We had multiple drives to Overton, sight-seeing through the Valley of Fire and had "Beat the Heat" and "Beat the Snow" drives. We held our first Mystery Weekend Tour. Despite a hint to bring cowboy boots, nobody guessed the

destination was a dude ranch in Wickenburg, Arizona. We held our first off-road trail drive over unpaved road composed of sand, gravel and riverbed. We held a four-day Multi-Zone and Multi-Region event in Flagstaff, Arizona. PCA Members joined us from three Zones (7, 8 and 9) and from ten Regions.

We enjoyed a wide variety of social events. The After-Holiday Party was held atop the M Resort and was a glamorous affair overlooking the glittering lights of the Las Vegas Strip. We tailgated before the Aviator's baseball game and then enjoyed the game. We painted pictures of our Porsches at Pinot's Palette and picnicked on the grass and viewed the musical Chicago.

The Club's members were extremely generous in monetary donations and new toys for the Toys for Tots Program. Throughout the year, we collected donations at 21 of the events. The Club donated \$5,650 and more than 150 new toys.

We were extremely fortunate to participate in the creation of the Vegas AutoFest. We held the first Zone 8 Concours in years. Sixty-one Porsches were shown at the Concours with approximately 40 additional Porsches places around the site. Overall, there were more than 400 vehicles of all makes and models on display where thousands of car enthusiasts came to view them.

The Club held eight High Performance Driver's Education days at Spring Mountain Motorsports Resort. We educated drivers about car control and safety; provided memorable track experiences; and, we all had fun.

Membership skyrocketed in 2019! We welcomed closed to 130 new members. This represents an unprecedented membership growth of 20%.

The 45th year-long celebration was an outstanding success due to the concerted efforts of many people. Heartfelt thanks are extended to the Las Vegas Region's members and volunteers; the Gaudin Porsche team; everyone at Trophy Performance; and, my incredible husband, Scott Hatcher.

The charter members of the Las Vegas Region would beam with pride over the Club's achievements this year. Their passion for Porsches and desire to share it with other like-minded individuals is alive, strong and growing.

Have a wonderful holiday season. 2020 is going to be even a better year for the Las Vegas Region!

Tamela Kahle - President

Las Vegas Charter Presentation: Left to Right Kneeling—Doug Moir, Frank Drake, Paul Riley, Don Kravig. Left to Right Standing—Nat Hausner, Wally Cole, Ellen Moir, Carl Young, Volker Gurr (L. V. Region Pres.), Jo Young, Peg Kravig, Dennis Haney, Tom Hausner, Bea Cole.

On December 8th a group of Club members met at the large Chevron station in Jean, Nevada. We headed south on small roads to Kelso.

After visiting the railroad station and museum in Kelso, we headed to Shoshone, California where a few members purchased holiday gifts.

The drive was debriefed over lunch in Pahrump.

Volunteers Needed!

Volunteers are critical to the success of our Club. We encourage our membership (you) to volunteer. This can be done by assisting during an event or by participating in a committee with planning and running events. You can invest a little time or as much as your interest and schedule allow.

By helping, not only do you get to know your fellow members and develop new friendships, your enjoyment in PCA is multiplied many times over.

We encourage anyone interested to contact Tamela Kahle at President@lvs.pca.org, or a current board member to get more information.

We think you will be surprised at how much fun you can have!

Porsche in Pop Culture

You may remember back to a few issues ago I had talked about Porsche designing a new ship for the upcoming Star Wars film.

Well with the release date of the film just around the corner, Lucas Films and

Porsche have released what exactly this new ship looks like.

Dubbed the Tri-Wing S-91X Pegasus, the ship takes on a few noticeable design cues off current Porsche models. Most notably the grill that appears to be off the back of a 911 and the quad daytime running lights seen in the engines of the ship.

The newest, and last, episode in the Star Wars series was released on Friday and made a big splash in the Christmas box-office list.
