	Tina Columbo

When joining or renewing your membership you can add a co-member (spouse, significant other, good friend) for no additional cost. Your co-member will receive their own membership card which is needed for discounts at Porsche stores, and many events. Also if you receive a renewal notice, your membership must be renewed no later than the end of your anniversary month. Failure to renew on time can result in National not sending out your next edition of Panorama and you will be listed as an expired member until you renew.

If you don't have a co-member listed and would like to add one, please contact either National PCA or Nita Burrows@ nburrows986@gmail.com or 702-595-3887. You can only add or change a co-member on-line when joining or renewing your membership.

The Club has both a web page www.lasvegaspca.com and a Facebook page: "Las Vegas Region of the Porsche Club of America."

All members are welcome to our Board Meeting. Please attend and see how the club operates. If you have an idea for an event, please come to a board meeting. The Board will be more than happy to listen to your idea(s) and help you get an event together.

Also, the Board meeting is the place to voice your thoughts on the club activities and things you would like to see happen or change within the club. The Board is open to all suggestions and ideas. The Board is here for the membership and to make the club successful you need your input. Board meetings are 6pm the 1st Wednesday of each month at Gaudin Porsche.

Watch your newsletter for upcoming events, date changes and other interesting articles. The Las Vegas Region is very lucky to have a e-newsletter sent out weekly with interesting articles and upcoming events. If you have anything interesting or pictures of interest, submit them to the newsletter editor and he will be more than happy to include them in an upcoming edition.

Please wear your name tag to events. Don't have one? Information on ordering one is in the e-news and on the web site www.lasvegaspca.com. We also have cloisonné membership logo's that have a sticky back. They will be available at the Breakfast Meeting. For you that have the old logo badge, this logo fits on your old badge perfectly. We also have free Las Vegas Region logo windshield decals. They are available from any Board Member.
